ELARA DE LUNE

Elara de Lune is a DJ and producer with an emerging international profile, known for high-impact sets influenced by the sounds of electro house, bass house, & big room, with elements of hard dance and techno. Elara delivers energetic, forward-thinking performances that bridge underground edge with peak-time appeal.

Elara has headlined shows and supported a range of local and international acts at prominent venues across Australia. Known for precise energy control and well-timed progression, Elara consistently elevates the atmosphere while leaving a lasting impression.

Her sound has reached beyond Australia, including performances across Asia, Europe and The United States, where she has showcased her ability to connect with diverse, global audiences while maintaining a powerful and distinctive style.

In addition to live performances, Elara hosts a weekly show on Radio Metro, where she presents fresh mixes and explores the evolving sounds that define her musical identity. With a growing international footprint and a reputation for dynamic, crowd-focused sets, Elara de Lune continues to position herself as a rising force on both Australian and global stages.
